JEREMIAH 1:7-9

Golf Outing | June 4, 2020

Thank you for considering being a part of our 4th Annual Golf Outing in support of the Integrity Church one79 Youth Group.

Our Goal is to see our kids and children throughout our area have an opportunity to grow in their relationship with Jesus!

We put great value on investing in our children's spiritual development and look to teach them the importance of understanding who Jesus is and how that is to shape and impact their individual lives.

Our society today spends thousands of dollars a year on sports, music lessons, dance classes, martial arts, and a number of other activities for our children. These are good things, but we also feel it is of greater importance to invest in their spiritual lives as well. Christ teaches us to put others first through serving, just as He has done for us. To this purpose, we choose to serve others during our week long mission trips to those impacted by hurricanes, floods, tornadoes, along with serving those less fortunate.

Over the past four years we have traveled to Vermont and Tennessee to help those in need. Our kids and leaders have given a week of their summer vacation to do physical labor such as roofing, painting, plumbing, electrical, masonry, landscaping, and other basic general construction. Our kids have been able to learn compassion for others, along with teamwork, and a number of other life lessons by serving others and putting their needs before our own.

This July we will travel to Morehead City, North Carolina to help families impacted by two hurricanes over the past two years. Approximately 50 of us will be serving up to ten families whose lives have been turned upside down by these storms. We look forward to serving them and sharing the Love that God has for them during this difficult time in their lives.
