

Group Expectations

These are short and summarized expectations that should be read at the beginning of the first meeting to lay the framework for expectations in the group:

Every member should....

- ❖ Keep things that are said in the group, in the group.
- ❖ Be courteous and respectful of others in the group.
- ❖ Focus on the greater importance of coming together and not on possible individual differences in theology/beliefs.
- ❖ Be involved in participating, but be mindful to not dominate the conversation of the group which allows others to contribute.
- ❖ Be ready to grow in Christlikeness and love towards one another.
