

FORGE (V.) /FORJ/

to form, especially by concentrated effort; to form or shape an element or object by heating and hammering to mold it into a new shape

Forged is a term used to describe how an object is formed or shaped through diligent and concentrated effort. This concept can be applied to the growing in the Christian faith.

When we trust in Jesus for salvation, He makes us new and begins to mold or shape us more into the image of Jesus. As we grow in our faith, the truth of God's Word shapes our minds and hearts and changes our actions to look more like Jesus.

You rejoice in this, though now for a short time you have had to be distressed by various trials so that the genuineness of your faith—more valuable than gold, which perishes though refined by fire—may result in praise, glory, and honor at the revelation of Jesus Christ.
