

HOW TO USE THIS GUIDE

LEADER GUIDE

Forged: Faith Refined is a 2-year curriculum consisting of eight 13-week volumes. Each volume will press into the Bible to help preteens develop a worldview based on God's perspective. Each Bible study is designed to help leaders encourage and teach preteens with the unchanging truth of God's Word as they grapple with an ever-changing culture around them. Each session is primarily discussion-based and will work in a church setting of any size. This Leader Guide provides detailed session plan for each week in this volume. *Forged: Faith Refined, Volume 1 Preteen Digital Leader Guide* (005822486) is available for purchase at lifeway.com/forged.

PRETEEN DISCIPLESHIP GUIDE

Each preteen will need a copy of his or her own Preteen Discipleship Guide. These books are designed to be used both during each session and individually during the week. Look for this icon **PDG** to see when preteens will need their guide. More information and resources are available for purchase at www.lifeway.com/forged.

PARTNERING WITH PARENTS

To help parents extend each session conversation into the home, Family Guide pages are provided in the Preteen Discipleship Guide. These pages can also be accessed through the free download code in each Leader Guide. No one knows these preteens better than the people raising them. Including parents in this study will allow them to be personally involved in their preteen's spiritual development and faith journey.
