

# HOW DO I STUDY MY BIBLE?

## 1 STUDY ONE BIBLE BOOK

Who wrote the book?

When was the book written?

What is the book about?

What does the book say about God?

What people does the book tell about?

How did the people act toward God?

## 2 STUDY ONE BIBLE VERSE

Read the verse from different Bible translations.

What are the important words in the verse?

What are the words you don't understand?

Write the verse in your own words.

What can you learn from the verse?

## 3 STUDY ONE PERSON

When & where did the person live?

What took place in the person's life?

How did the person act?

What can you learn from the person?
