

VBS at Integrity Church Parent Information

Welcome to Integrity Church's VBS! We look forward to having your children attend! Here is an idea of the week's events your child will experience and some guidelines for all.

Upon Arrival: Please go to the registration table assigned to your child's last name where you will receive your child's name badge. If your child has allergies or special medical needs, please let the registrars know.

We require children to wear closed toed shoes, except for water day on Friday.

VBS starts at 9:00am, promptly and ends at 12:30pm.

You are welcome to watch our closing assemblies in the back of the sanctuary, (starts at approximately 12:05pm).

Each child's age group will start in the sanctuary for the opening assembly as they learn about this year's theme. They will then visit several stations daily: Teaching, Crafts, Snack, Games and Music.

After visiting all the stations, your adventurer will head back to the sanctuary for our closing assembly. When the children are dismissed, please meet them and lead them to the same registration station you checked them into to check out and return their name badge.

We will have 2 special days for the children:

Wednesday July 16th: Dress up day. They are welcome to dress in old western apparel and gear. *We ask that you do not give your child props that may cause a distraction during their sessions, just a clothing costume only please.

Friday July 18th: Water fun day! Please dress your child in a bathing suit before coming to VBS. (We will not be able to help your child in or out of a bathing suit, so please make sure they are wearing it). Please also send them with a towel. If you would like to bring dry clothes for them to change into after VBS please leave them in your car. The children move to each station and it is hard to keep track of belongings.

Friday July 18th: Immediately after the closing assembly we will be hosting a BBQ for all the children and their families. You are welcome to stay and bring any younger or older siblings that were unable to attend our event. We will all have a blast outside with more water fun. If it is raining we will have alternate plans inside.

Sunday, July 20th: You are welcome to join us during our VBS celebration services at 9:30am and 11:15am where your children are invited to participate in 2 of our songs. A recap video will also be part of our service.

Thank you for participating in our annual VBS!
