

LARGE GROUP ASSETS

- The Large Group Slides Contact Sheet is provided for your reference, to be used as a comprehensive preview of this week's slides.
- If you choose to project the slides onscreen, these images can be found on the curriculum downloader. Look for the panel labeled "02_LGK3_Images" and choose your preferred screen size.
- 11x17" images of the week's slides are available on the curriculum downloader for printing.
- Also provided on the curriculum downloader are blank slide graphics. If you decide to use the blank slides to customize your environment, you can use this month's theme fonts: "Bitcrusher Condensed Bold" and "Eco 2 Semibold Italic"

Stomp Rocket Instruction Cards

STOMP ROCKET

Instructions

- 1 Lay the empty juice pouch flat on the floor, with the straw hole facing up. Insert the small, bendy straw into the straw hole. *(Make sure that the part of the straw that's outside the juice pouch is pointing up.)*
- 2 Tape the straw in place. Be sure to tape around the hole so no air can escape.
- 3 Choose one person to be the "inflater." That person should be the only one to put their mouth on the straw!
- 4 Have the "inflater" blow into the straw to fill the juice pouch with air.
- 5 Get the larger straw. This is your rocket! Place some tape over one end of the larger straw so that no air can get through.
- 6 Place the large straw over the small straw.
- 7 **Stomp on the juice pouch. This will launch the larger straw into the air!**
