(color) (weekday)

So \_\_\_\_\_ came up with a plan. First, she'd \_\_\_\_\_ everyone

(type of snack)  
invent a way to \_\_\_\_\_ around the world and get famous and make a ton of  
(transportation method)  
\_\_\_\_\_ from that.  
(noun)

When a bunch of countries voted for her, she'd give everyone in that continent a free  
\_\_\_\_\_ and some \_\_\_\_\_ roller skates. She planned to  
(animal) (adjective)  
make \_\_\_\_\_ against the law and make recess \_\_\_\_\_ again.  
(school subject) (adjective)

Finally, Almost-President \_\_\_\_\_ plans to build a \_\_\_\_\_ that leads  
(name above) (noun)

(adjective)  
\_\_\_\_\_ and pet all the \_\_\_\_\_.  
(noun) (plural noun)

\_\_\_\_\_ has written all this down and keeps it in a(n) \_\_\_\_\_
