Week 2

Climbing Challenge Course Setup Guide

Station 1: Grip Strength

Place two very thick books at this station. Kids will grasp the books at the spines (one in each hand) and jump up and down five times.

Station 2: Core Plank

Clear enough space for kids to do a plank for 15 seconds. (They can count to 15 by saying "one one thousand, two one thousand," etc.)

Station 3: Bean Bag Balance

Create a path with masking tape for kids to walk on. Place several bean bags at beginning of the taped path. Kids will need to place a bean bag on their head and balance it while they walk the length of the path. If the bean bag falls off, they have to stop and put it back on before they keep walking.

Station 4: Crunches

Clear enough space for kids to do crunches for 15 seconds. (Again, they can count to 15 by saying "one one thousand, two one thousand," etc.)

Station 5: Bicep Curls

Have two small dumbbells at the station (5 pounds or less). Kids should pick up a dumbbell in each hand and do 10 bicep curls.
